*2HP J Series Fountain with Mahogany Premium Nozzle
Composite LED Light Kit*

Visual Appeal Meets Performance

Enhance the aesthetics and improve the health of your body of water with Kasco Fountains. All fountains are engineered to deliver reliable and efficient performance, and feature marine-grade stainless steel components for protection in harsh environments. Explore the multiple pattern options in our J Series line and aerating power of the VFX fountain. Whatever your needs may be, Kasco has the right fountain for you.

New 3/4HP J Series with Cypress Nozzle

J SERIES FOUNTAINS

Kasco J Series Fountains offer dramatic, aesthetically pleasing displays at the best value on the market. Designed with both beauty and function in mind, each package includes several display nozzles - at no extra charge - allowing you to choose from attention demanding geysers to elegant 2-tier displays. 3/4 and 1HP units include 5 nozzle patterns, 2 and 3HP units include 6 nozzle patterns, 5HP units include 7 patterns, 7-1/2HP units include 3 patterns.

- Available as 3/4, 1, 2, 3, 5 and 7-1/2HP units
- 3/4HP and 1HP units redesigned for increased pattern heights and widths without increasing amp draw
- Package includes unit, float, mooring ropes, power cord, display nozzles and control panel with human-rated GFCI protection
- Cord lengths up to 200 ft. on 120V units, up to 500 ft. on 208-240V units
- Complete packages are ETL approved to UL and CSA standards
- 2 year warranty on 3/4HP and 1HP units, 3 year warranty on 2HP and larger units
