1-piece Float Makes for Easy Installation

Bottom Screen Helps Prevent Clogging

WATERGLOW LIGHTING

Kasco's Composite LED Light Kits* provide elegance into the evening hours, illuminating your fountain or surface aerator.

-  5 Color Options Through Interchangeable Lenses (White, Red, Green, Blue, & Amber)
-  Snap-on Clips Included in Package
-  11 Watts and 910 Lumens Per Fixture

*Non-CE Marked

AQUATICLEAR™ CIRCULATORS

Kasco AquatiClear Circulators are clog-resistant and keep water near docks, canals, and shorelines free of floating debris and foul odors.

-  1/2 & 3/4HP Available
-  Crown-like Prop Guard Decreases Clogging
-  Less Clogging Reduces Maintenance

DE-ICERS

Kasco De-icers create an opening at the water's surface, keeping boats and docks safe from damaging ice buildup.

-  1/2, 3/4, & 1HP Available
-  Prevents Ice Buildup and Improves Aquatic Environment
-  Stainless Steel Components for Durability

ROBUSTAIRE™ DIFFUSED AERATION SYSTEMS

Kasco RobustAire Systems, with AireGuard Cabinet Technology, restore your water's natural ecosystem by adding mixing and movement.

-  1/4 & 1/2HP Available
-  No Electricity in the Water Makes it Safe for Swimming
-  Self-weighted, Dual-loop Diffuser Lands Upright Every Time

SURFACE AERATORS

Kasco Surface Aerators push high volumes of water into the air, increasing the overall health of your water and keeping it thoroughly mixed.

-  Lighting Packages Available
-  Ideal in Depths Less Than 2.4m
-  For Continuous or Supplemental Use

POND PROBIOTICS

Pond Probiotics are a safe, non-chemical approach to water quality management and produce a healthy, balanced ecosystem.

-  Available as Quick-Dissolving Powder, Pucks, and Time-releasing Blocks
-  Safe for People, Pets, and Livestock
-  Eliminates Waste, Dead Grass, and Foul Odors
